

G D GOENKA PUBLIC SCHOOL, EAST DELHI
HOLIDAY HOMEWORK 2019-2020 CLASS VIII

Holidays are always fun and holidays homework is a way to inculcate interest, creativity and innovation among our students. It will not only enable them to recapitulate what was taught but will also help them to connect themselves to the various learning processes. Please ensure that your ward completes the holiday homework neatly and timely as it will be graded.

ENGLISH

1. Let's read!

- Read the following chapter from the supplementary reader, 'Tales from Shakespeare'.

- Macbeth

Please note- A written quiz based on the above chapter will be conducted in the class in the first week of July as a part of Formal Assessment which will be followed by a Fish-Bowl discussion.

2. Let's showcase our Creative Zing!

- Prepare a documentary using Movie-Maker o. (Integrated with ICT)
- You are the owner of a tourism company in India. You need to prepare a documentary for the tourists on any one of the given Indian tourism destinations or you can choose a destination of your choice.
Destinations: Ooty, Coorg, Munnar, Lakshadweep, Kodaikanal, Sunderbans, Periyar National Park, Bharatpur Bird Sanctuary, Auli etc.
- Include the following points: Location, history, climate, flora, fauna, vegetation, and trek
- Your documentary must contain a lot of photographs based on the points mentioned above and should not exceed 2 minutes. It must contain your name and class.
- Submit your documentary in a pen drive in the first week of July

MATHEMATICS

1. Do worksheets (number 1-14) of mental maths.

2. PROJECT WORK: Redesigning school building as a learning aid.

Students will prepare a scrap file showing various mathematical concepts that can be incorporated while designing the school building to enhance concept learning.

Criterion of assessment:

- Creativity
 - Clarity in the structure made.
 - Presentation
 - Submission
- Some sample images are attached for reference

SCIENCE

(A) Environmental Explorers

Pollution is a menace that needs to be curbed with equal and honest participation by all of us.

(i) Trip Tally- Travelling is fun and a great learning experience as well. Travel with your Parents and prepare your own travel data which should include the resources/fuels used, your ecological footprint, strategies for reducing pollution by various ways.

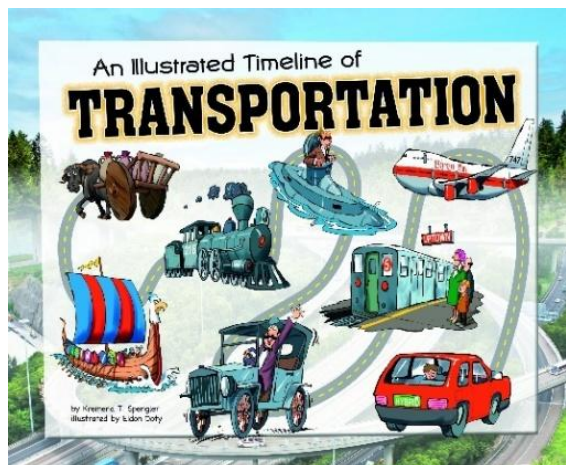

(ii) Pollutant catcher- Pollutants are the components of pollution that can be either foreign substances or naturally occurring contaminants. Make your own pollutant catcher and hang it in your home (door or window) to see the amount of pollutants deposited. You can refer to the following links-
www.growtoschool.co.uk/howcast/www.countrysideclassroom.org.uk.

(B) ISA Activity– Tracing the history of transportation

The evolution of transportation, just like the evolution of human kind, has gone through trials and tribulations as it has evolved through time. Many modes of transport have evolved and many more have gone extinct. The modes of our transportation have developed alongside the expansion of our human understanding and culture. Following the lines of the topic mentioned above-

(i) Prepare a Research book on the comparative analysis between two countries as mentioned against your roll nos. under following subheads –

Roll No.1 to 10: India and France

Roll No. 11 to 20: India and Japan

Roll No. 21 onwards: India and China

My Research Project <small>Non-Fiction Research Book Planning Template</small>	
Topic _____	
Table of Contents
