Date: 10th September 2021

WEBINAR ON COMPUTATIONAL THINKING

Dear Parent,

Hope you are staying safe and healthy!

Kindly note that a Webinar is being organized for the students on the topic **“What can Captain America’s Shield Teach Students about Computational Thinking?”** It will be held on Thursday, 23rd September 2021, 05:00 pm onwards.

The Webinar will be conducted by Mr. Aanand Srinivas, CEO and Lead Instructor, StayQrious and Former Content Head, Khan Academy, India along with being a popular online educator on YouTube and Byju’s.

The Webinar will focus on introduction of coding, making students more motivated & curious of learning, achieving mastery in learning goal in just one session and getting all of your questions answered live.

By the end of this session, the student will get an introduction of Computational Thinking, Breaking down complex problems into smaller ones, showcase their mini-project (Captain America Shield) and earn a certificate by displaying mastery.

Stay Healthy, Stay Safe, Get Vaccinated!

Warm Regards,

Anupama Chopra
Principal
