

ANNUAL DAY PARTICIPATION

Dear Parent
Greetings!

It gives us immense pleasure to share that the Annual Day 22 will be held this year after a hiatus (gap) of around four years. The students & staff are equally excited to be a part of this gala event.

The auditions and practices have begun; the culmination of which has been tentatively scheduled for 18th / 19th November 2022.

It is therefore, requested that the regularity of your ward to the school be ensured for the smooth conduct of the practices for the same.

You are thus required to sign the consent for the above mentioned event.
Soliciting your cooperation to serve you better.

Warm Regards

Anupama Chopra
Principal
