INDIAN CULTURE PORTAL OF MINISTRY

Dear Parent,

The National Virtual Library of India (NVLI), a project funded by the Ministry of Culture and executed by a team at IIT-Bombay, is one step towards the digital future. As part of the project, IIT-Bombay has developed the 'Indian Culture Portal' (<http://indianculture.gov.in>) which is a holistic source for a variety of resources related to Indian history, heritage and culture of the entire country.

The Indian Culture Portal is an interactive site in terms of presenting curated information in the form of archival stories, art descriptions, video films, exclusive images and so much more.

The focus on India's culture ranging from philosophy to architecture and food makes this portal unique. There are various categories in which content is presented, including Rare Books, Paintings, Photo Essays, original Stories and Snippets, Archival documents, Manuscripts and Gazetteers among other. There are special sections on the Cuisine of India, Textiles, Forts and Historic Cities.

You are requested to visit this portal and get acquainted with known and unknown facets of the culture of our country.

Please note that the portal is also available on Android and iOS platforms.

Stay Healthy, Stay Safe!

Hopefully you are already vaccinated!

Warm Regards,

Anupama Chopra
