Dear Parent

We hope that you and your family are healthy and safe!

Since last one year, we have evolved our way of life, reshaped the interconnected world and have devised new mechanism for the education and development of our students.

Further, the school has always believed in mutual understanding & cooperation and would once again request you to cooperate with us while visiting the School premises, keeping in view the safety of everyone around.

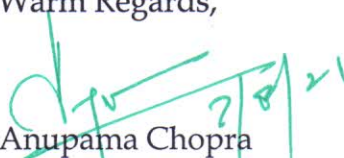

Kindly follow the below mentioned guidelines while visiting the school premises.

1. Visitors are subjected to thermal temperature screening at the School Main Gate.
2. Entry not allowed, in case, the temperature is on the higher side or if the symptoms are visible.
3. Wearing of face masks at all times inside the school premises.
4. Showing Arogya Setu app at the School Main Gate.
5. Signing a declaration form to the effect that you have not contracted COVID-19 and if you had, you have been tested negative.
6. Cooperating with the Security Staff stationed at the School Gate regarding the above.

Let's be together to control and suppress spread.
