

**SUMMER VACATION HOBBY CAMP  
(BY NATIONAL SCIENCE CENTRE)**

Dear Parent,

The National Science Centre, Delhi, is a science museum in Delhi established in 1992 and is part of the National Council of Science Museums, an autonomous body under India's Ministry of Culture). The Museum is organizing a series of activities to make the summer vacation exciting and fun-filling for students. Booking will be done on "first-come-first-served" basis by paying the course fee along with a registration form at the cash counter of the Centre between 9:30 am to 5:00 pm on all working days.

The Summer Vacation Hobby Camp will include various programs such as

1. Scientific Toy Making Junior for Classes VI-VIII
2. Astro Lab for Classes VI-VIII
3. Scientific Toy Making (Senior) for Classes IX-XII
4. Basics of Biotechnology for Classes IX-XII
5. Wonders of Electronics for Classes IX-XII

The Summer Vacation Hobby Camp will be held in five disciplines in two batches as under:

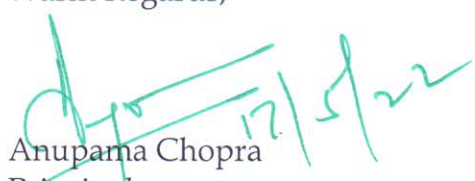

- i) Batch - I from 23<sup>rd</sup> May to 27<sup>th</sup> May 2022 (Time: 10:30am-1:30pm)
- ii) Batch - II from 30<sup>th</sup> May to 3<sup>rd</sup> June 2022 (Time: 10:30am-1:30pm)

In these programs, participants will be trained in developing interesting projects, which will help them to understand the concepts of science & technology in better way. All students will be given study materials and will be guided by experts. Participation certificates will be given to all participants who will complete the camp successfully. Gallery visit and other facilities like Science Demonstration Lecture, 3D Film, S.O.S. show, Fantasy Ride & holo Show will also be shown.
