ENGAGING SATURDAYS

Date: 29th July 2021

For the things we have to learn before we can do them, we learn by doing them. - Aristotle

Dear Parent

COVID 19 pandemic has made us work in the virtual mode since 2020. The pandemic has given a new shape to the entire education system and at the same time made us realize that it is the need of the hour to evolve and develop innovative ways of teaching and assessing our students.

Hence, in cognizance with the circular shared by CBSE (Acad-51/2021) regarding Special Scheme of Assessment, it has been envisaged to help students develop the art of solving Reason- Assertion based MCQs. It is to further bring to your notice that Reasoning- Assertion and case study based MCQs will form an integral element of the new scheme of assessment and hence it is felt that all students need to gain proficiency in this component of study as well.

Thus the following Saturdays from August 2021 onwards will be utilized in giving the said MCQs to the students to assist them to imbibe and strengthen this concept. The schedule for the same is being shared below.
